

Benefit for the Birds 2018

A Night in Vintage Vegas

Friday, November 9th

Chase Center on the Riverfront, Wilmington, DE

6 PM to 10 PM

Thank you for your consideration of the annual Benefit for the Birds. The benefit is our largest fundraiser of the year and your sponsorship of this event makes a world of difference in our ability to help wildlife in need. Your support has a direct effect on our wild patients, providing the care, housing, and medical treatment they need to receive a second chance.

We are pleased to offer our event partners a range of acknowledgement options based on sponsorship level, including admission for the evening. In addition to being a vital fundraiser, the evening presents an excellent chance to network with individuals from industry, agency, and non-profit sectors.

You can reach me at (302) 737-9543 x110 or at rstansell@tristatebird.org if you have any questions or would like to know more about how your sponsorship moves us forward in oiled wildlife response and wildlife rehabilitation. We welcome all our sponsors and those considering sponsorship to reach out for a tour of our facilities to better see the work we do every day.

The animals whose lives we change cannot thank you, but we can. Thank you for your consideration of our mission and of our patients.

Sincerely,

Rebecca Stansell
Development & Marketing Director
