

Volunteer Position Descriptions 2019 FACILITIES TEAM

FACILITIES VOLUNTEER

Purpose

The purpose of the facilities team is to help create and maintain habitats for our wild bird patients and to keep our facilities and grounds maintained and running smoothly for operations. The facilities team works with the support of our facilities committee, Facilities Supervisor, and Clinic Director.

This Opportunity Is Available to People Who:

- Have skills in plumbing, carpentry, general construction, and other areas, with the knowledge to complete tasks with minimal supervision
- Have an interest in maintenance, landscape, and gardening
- Enjoy being outside
- Enjoy being part of a team

Examples of Tasks Performed by the Facilities Team

- Designing and building new caging/ patient housing
- Changing sand
- Repairing caging
- Removing invasive plants
- Painting
- General building maintenance and upgrades
- Note: The Facilities Team are often performing tasks in close proximity to our wild patients; therefore, proper protocols, safety guidelines, and clinic etiquette must be followed at all times.

Time Contribution

- Volunteers are expected to commit to a minimum of 3 months of service
- Volunteers are expected to donate at least 4 to 10 hours of service per month; shifts are generally available during weekdays.
- All volunteers must complete a New Volunteer Orientation

Volunteer Benefits

- Opportunity to meet and interact with people with similar interests; make new friends and contacts
- Opportunity to utilize skills and abilities in a meaningful way to help native wild birds in our care
