

Volunteer Position Descriptions FACILITIES TEAM

FACILITIES VOLUNTEER

Purpose

The purpose of the facilities team is to help create and maintain habitats for our wild bird patients and to keep our facilities and grounds maintained and running smoothly for operations. The facilities team works with the support of our facilities committee, Facilities Supervisor, and Clinic Director.

Please note that onsite and/or in-person volunteer opportunities require proof of Covid19 vaccination.

This Opportunity Is Available to People Who:

- Are at least 18 years of age
- Have skills or an interest in plumbing, carpentry, general construction, and other areas, with the knowledge to complete tasks with minimal supervision
- Have an interest in maintenance, landscape, and gardening
- Enjoy being outside
- Enjoy being part of a team, but can also work independently

Examples of Tasks Performed by the Facilities Team

- Repairing enclosures and changing out sand in habitats
- Painting
- Mowing, removing invasive plants, and general landscaping
- General building maintenance and upgrades
- Note: The Facilities Team are often performing tasks in close proximity to our wild patients; therefore, proper protocols, safety guidelines, and clinic etiquette must be followed at all times.

Time Contribution

- Volunteers are expected to commit to a minimum of 6 months of service
- Volunteers are expected to donate at least 4 to 10 hours of service per month; shifts are generally available during weekdays.
- All volunteers must complete a New Volunteer Orientation
- Volunteers must sign a release form, volunteer agreement, and provide emergency contact information.

Volunteer Benefits

- Opportunity to meet and interact with people with similar interests; make new friends and contacts
- Opportunity to utilize skills and abilities in a meaningful way to help native wild birds in our care

To Apply

- For an application, please email volunteer@tristatebird.org
