

The Soaring 20s  
A Night to Benefit the Birds

Friday, November 4th  
Executive Banquet Center  
Newark, DE  
6 PM to 10 PM

It is only together, that we are able to save wild lives. It is through private donations that we are able to mend broken bones, raise helpless young birds, and respond when wildlife is accidentally contaminated.

Your support of the Benefit for the Birds lets us save lives. It allows us to be ready when disaster strikes. We continue to be called into action to help contaminated wildlife 6-7 times every year. We are equipped, trained, and ready to respond because of the generosity of industry partners like you.

Thank you for your consideration of this incredibly important fundraiser and of our work. We are one of only a handful of organizations in North America that specializes in oiled wildlife care and we couldn't do it without you.

You can reach me at (302) 737-9543 x110 or at [rstansell@tristatebird.org](mailto:rstansell@tristatebird.org) if you have any questions or would like to know more about how your sponsorship moves us forward in oiled wildlife response and wildlife rehabilitation. We welcome all our sponsors and those considering sponsorship to reach out for a tour of our facilities to better see the work we do every day.

The animals whose lives we change cannot thank you, but we can. Thank you again for your consideration of our mission and of our patients.

Sincerely,

Rebecca Stansell  
Development & Marketing Director
